- **Mr Cat** - to represent RON (deminimis number of votes) (Nominated by Ms Wolf, seconded Mr Winters)

Key points of speeches

- EN recommended that members vote for the unborn as he would do a much better job, although he will see serving as chair for 18mths a pleasure
- Ms Silver (on behalf of Master Mini-Silverdust) - delighted to be here. Has lots of dreams for the society. They are childish ones, but not as childish as ENs, and so people should vote for EN.
